My work "Express Yourself" is a monotype screen print. This involves painting on a screen and transferring the image through the screen onto paper to create a one-of-a-kind print. I enjoy the freedom that this method of printmaking provides. The colours and the loose impressionistic style of this work were inspired by my favourite artist -- Claude Monet.

Artist's Biography

I am a recreational artist from Saskatoon, Saskatchewan. My participation in art classes predates my teenage years, and has had a great influence on my growth as an artist. I enjoy a wide variety of fine art disciplines and mediums, including film/digital photography, printmaking, drawing, chalk pastels, acrylic painting, pottery & sculpture. I continue to create works of art and display them on Instagram and on my art website.
