# “RETRACTED: Alteration of the Endocannabinoid System in Human Alzheimer’s Disease Brain.”

The USURJ Team

---

**"RETRACTED: Alteration of the Endocannabinoid System in Human Alzheimer’s Disease Brain." *USURJ: University of Saskatchewan Undergraduate Research Journal* 9.2 (2024). DOI: <https://doi.org/10.32396/usurj.v9i2.659>**

After this article was published, one of the co-authors contacted USURJ indicating that they had not been involved with the article or its submission to USURJ. This is in violation of USURJ’s publication agreement, which the corresponding author had signed. Additionally, the article made use of data that the corresponding author was not authorized to share. The journal determined a retraction was appropriate following the COPE Retraction Guidelines (<https://publicationethics.org/retraction-guidelines>).

As the data was not meant to be public, the article has been removed, and the removed contents are no longer available with a Creative Commons license.

Date of first availability: 19 June 2024

Date of retraction and removal: 22 July 2024
