

1. No matter how much time passes us by,  
CAN YOU READ TO ME THE KANJI  
WRITTEN UP ON THE BOARD?

2. We're drunk on sweet and hypnotic lies.  
CAN YOU READ TO ME THE WORDS WITHIN  
THIS HEART THAT IS TORN?

3. No matter how much you try  
WHO STEPPED IN THIS HEART AND DYED  
IT ALL INTO BLACK?

4. You're stuck on the same questions, while everybody else passes you by  
WHO COULD IT BE?

5. No matter how many years you survive  
Now who could it be?  
6. You'll never make the cut, there's nothing to do but sigh. (EQUATION)  
CAN YOU SOLVE ALL THESE  
USING AN ABACUS?  
7. Even when life says it's on your side,  
CAN YOU LOSEEN THE NOOSE THAT  
IS CONSTRICTING OUR TRUTH?  
8. The truth is, it's trying to get you to die.  
CAN WE KEEP ON MOVING FORK  
DOWN THIS LONG PAINFUL ROAD?  
9. So recite to me all your dreams  
NOW COME TELL ME HOW  
10. They'll never come true anyways, let your future pass you by.  
IT'S NOT LIKE I CARE NOW.

1. How many parathyroid glands are there?

2. The vessel that carries blood from the lungs to the left atrium is the:

**TRICK QUESTION**

a) porta  
b) superior vena cava  
c) inferior vena cava

3. Tell me when will you finally grow up as they say?

a) Huh?  
 b) Huh?  
 c) Huh?  
 d) Huh?

4. Tell me what the hell does it mean to go grow up anyway?

a) Why?

b) Why?

c) Why?

d) Why?

**Total Time – 20 Minutes and 47 Seconds**  
**48 Questions**

**Suggested Time – 17 Minutes and 13**  
**32 Questions**

1. A large exercise center has several thousand members from age 18 to 55 years. The manager is investigating whether members of fitness classes differ by age. The manager selected a random sample of 170 exercise center members ages 18 to 55 years and a second random sample of 230 exercise center members ages 56 and older. Each sampled member was asked whether they would be interested in taking fitness classes. The manager selected a random sample of 170 exercise center members ages 18 to 55 years and a second random sample of 230 exercise center members ages 56 and older. Each sampled member was asked whether they would be interested in taking fitness classes.

Final Exam Questions  
Department of Political Science, UUUUUU  
2024/2025 Academic Year

Field 1: Utilitarianism

1. The utilitarian principle states that the right action is the one that maximizes overall utility or happiness. This principle is often used to justify actions that are morally questionable, such as lying or stealing, if they result in greater overall happiness.

The utilitarian principle explains its significance in the context of different problems by showing how it can be applied to various situations and how it can lead to different conclusions depending on the specific circumstances.

THE FORMULA

TO ME THE  
DREAM  
NEXT.  
TO: ANEA  
simple idea of political science and all of it's components and  
THE DREAMS

material and he raised his question is **AND LIST ALL OF YOUR HEAD.**  
**THAT YOU HAD IN YOUR HEAD.**  
 What is the current theory of political obligation. And it's implications on Po  
 considering the twenty-first century law in which Freud consider  
 problems with it.

Describe the main problems with the utilitarian idea of paying it objectively for when you once

...the main objections with  
 ...As it seems  
 ...the idea of the Original Position play in Rawls' Formula  
 ...the law when considering appendix a, as discussed  
 ...FINAL

ME WHEN YOU  
UP LIKE THEY SAY?  
Describe Rawls' second, eleventh, and sixty-fourth principle of justice

ME WHAT THE HELL  
GO KNOW UP ANYWAY?  
you read all of the words within this heart that is torn?

ME WHERE I NEED:  
THE ANSWER  
stepped in this heart and dyed it all into black?  
COME TELL ME HOW.

who could it be?  
Not LING I CARE, NOW
